YAC in a Nutshell- *Youth Alliance Committee (aka YAC) is a group of students who attend high schools or are home schooled in the greater Battle Creek area. YAC’s overarching goal is to improve the quality of life for area youth. YAC members seek to empower young people in Battle Creek and involve them in important decisions that will impact their peers and their community. Active roles are taken in grant making, volunteerism, evaluating the needs and interests of youth, and fun and engaging community projects.
